LICENSING & REVIEW

Instructions to Reviewers:

All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Need for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

35 U.S.C. 184 (b) (1) provides that an inventor who files an application for a patent in the United States shall not be entitled to file an application for a patent in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from the filing date of the application in the United States unless the application becomes the subject of a secrecy order. The application shall be considered to be the subject of a secrecy order if it is determined that the disclosure of the invention would be injurious to the national defense. The application shall be considered to be the subject of a secrecy order if it is determined that the disclosure of the invention would be injurious to the national defense. The application shall be considered to be the subject of a secrecy order if it is determined that the disclosure of the invention would be injurious to the national defense.
